MonoGut® ZX

TENNIS STRINGS

[ZYEX® TECHNOLOGY]

The MonoGut ZX family of tennis strings consists of two gauges of 100% Zyex monofilament string that provide the power and comfort of natural gut string at less than half the cost

MonoGut® ZX Pro

1.22 mm [17 gauge] | ZYEX® TECHNOLOGY | 12 metres [40 feet]

MAIN FEATURES

[GUT-LIKE PLAYABILITY
SUPERIOR DURABILITY
EXCEPTIONAL DYNAMIC STIFFNESS
NO POLYESTER ADDITIVES]

POWER :
CONTROL:
COMFORT :
DURABILITY :

THE BENEFITS

MonoGut ZX Pro is a 1.22mm string that has the power and comfort of natural gut at less that half the cost. The absence of polyester increases elongation and decreases stiffness in a very resilient monofilament string.

MonoGut® ZX

1.27 mm [16L gauge] | ZYEX® TECHNOLOGY | 12 metres [40 feet]

MAIN FEATURES

[GUT-LIKE PLAYABILITY
MAXIMUM DURABILITY
EXCEPTIONAL DYNAMIC STIFFNESS
NO POLYESTER ADDITIVES]

POWER :
CONTROL:
COMFORT :
DURABILITY :

THE BENEFITS

MonoGut ZX is a 1.27mm string that has the power and comfort of natural gut at less than half the cost. The absence of polyester increases elongation and decreases stiffness in a very durable monofilament string.
